Dear Sir:

Pursuant to the duty of disclosure imposed by 37 C.F.R. § 1.56 and in accordance with the provisions of 37 C.F.R. §§ 1.97, 1.98 and the Manual of Patent Examining Procedure 609, Applicants bring to the attention of the Examiner the following information. The Examiner's independent and thorough review of this information is solicited.

Attached hereto please find Form PTO-1449 citing references submitted for consideration by the Examiner. Copies of any cited foreign patents and non-patent literature documents are enclosed. The Examiner is requested to indicate consideration of each reference by initialing in the appropriate box for each reference, and returning an initialed copy with the next Official Action. Also enclosed is a copy of the European Search Report and Annex issued by the European Patent Office regarding a counterpart EP international patent application. Note that English language counterpart publications have been cited in the attached PTO Form 1449 corresponding to all references cited in this Search Report. Under 37 C.F.R. § 1.97(e)(1), I hereby certify that each item of information contained in this Supplemental Information Disclosure Statement was first cited in a communication from a foreign patent office in a counterpart foreign application not more than three (3) months prior to the filing of this Supplemental Information Disclosure Statement.

This Supplemental Information Disclosure Statement is filed pursuant to 37 C.F.R. § 1.56 to bring to the Examiner's attention those references which may be material to the Examiner for examination of this case. However, the citation of the above references in this Supplemental Information Disclosure Statement is not intended to constitute an admission that any patent or other reference referred to herein is "prior art" for this invention. In this regard, Applicants expressly reserve the right to contest that any of the references constitute "prior art."

No fee is believed to be necessary for the consideration of this Supplemental Information Disclosure Statement. However, if any fee is required, please charge our Deposit Account No. 50-1775 and notify us of the same.
